

DeWitt Public Library Changes Library Hours

DEWITT, MI. – As a result of anticipated revenue shortfalls, the DeWitt Public Library Board of Trustees approved a 2009 operational budget with a reduction in hours at both the Main Library at 13101 Schavey Road and the Satellite library located in the DeWitt Charter Township Community Center on Brook Rd. The new library schedule reduces weekly library hours by five at the Main Library and seven at the Satellite location.

Wayne Summers, library board president commented, "While we regret having to cut the hours of operation, the Board feels strongly that we'd rather make some cuts in hours to deal with our current economic situation rather than scale back on the quality of service our patrons have come to expect."

Effective, July 1st, new library hours will be:

Main Library

Monday-Thursday	10-8:30 pm
Friday	1-7 pm
Saturday	10-4 pm
Sunday	1-4 pm Labor Day to Memorial Day

Satellite Library

Tuesday, Wednesday, Thursday	2-5 pm
Saturday	10-2 pm
