

CLINTON COUNTY CERTIFICATE PROJECTS

In 1989-90 the Clinton Co. Historical Commission issued **Pioneer Certificates** as a part of the county's sesquicentennial celebration. That project was terminated.

In 2004 the Genealogists of the Clinton Co. Historical Society initiated another certification project to honor people for their connection to early residents of the county. See a description and certificate application form elsewhere on this webpage for descendants of **Early Settlers** and **Early Families**.

The applications, including documentation, for certificates issued to date (January 2008) in both programs are on file at the archives where they can be used by other researchers. Following is the list of those whose descendants have been recognized:

PC = Pioneer Certificate = (by 1839)

ESC = Early Settler Certificate (before 31 Dec 1865)

EFC = Early Family Certificate (before 31 Dec. 1899)
