### CLASS HISTORY

We were in the 6th grade in the years of 1954-55. It was the first year in the new building and the first year of gym, home economics, and shop. This was truly a year of new things, including safety patrol. Our trips during that year were to the Lansing Symphony and ice skating at M. S. U. for Valentines Day. Our class trip at the end of the year was to St. Johns Park. The new students were Caroline Green, Connie Kirvan, and Janet Brown. The students that left were Barbara Hunt, Jerry Wilder, and Janet Brown. The safety patrol trips that year were to Detroit to the ball game and Lake Lansing Amusement Park. The teachers were Mrs. Shultz and Mrs. Diller.

We were in the 7th grade in the years of 1955-56. This was also a year of new things. It was the first year of Junior High School and of passing classes every hour to a different teacher. It was a little hard at first but we soon adapted ourselves to it. Our home-room teachers were Mr. Peel and Mrs. Waldo. We sponsored dances to earn money for trips to Greenfield Village and Cinerama Holiday. The new students that year were Roy Oliver, Loretta Bearndt, and Judy Blanchard.

We are in the 8th grade now and the year is 1956-57. This year we graduate and most of us are looking forward to it. For our trip we are planning to go to Ocqueoc Group Park for a week of camping. We have earned the money for the trip by sponsoring dances and selling yearbooks. Our home-room teachers and class sponsors are Mrs. Waldo and Mr. Peel. Our class colors are red and white and our class flowers are red and white carnations. Our class motto is "Effort Brings Success". The new students are Loretta Greenwood and Sandra Todd; the latter soon moved.
