

Other Clinton County Burials

During the early years of the county many burials took place in family plots. Most of these have been removed to established cemeteries. Below is a list of known burials that were not or may not have been removed. Please contact me if you have further information on these or any other burials. (wsummers@edcen.ehhs.cmich.edu)

Burial Locations: These are all on private property.

Cushman Cemetery was on the Ira Cushman farm, Section 19, Bath Twp., near the south-east corner of Chandler and Clark Roads with burials in the 1830-1850's. At least some of the bodies were removed to other cemeteries. Some bones discovered by a utility company were removed to the Gunnisonville Cemetery. No markers. Land has been actively plowed and farmed.

Eddy Burial Ground was located on the north side of the river in Section 15 of Eagle Twp. No markers. Estimated to contain about a dozen graves.
