Notes:

1. These three burials and possibly others were removed to the DeWitt Cemetery in the early 1900's from the section of the Alward Cemetery in Olive Township which was originally located on the west side of DeWitt Road directly across the road from the present Alward Lake Cemetery.
2. This is probably Joseph Barney Knapp, 11/13/1840-3/25/1927. Dates recorded in Knapp family history by Agnes Pike Steinhardt c1930.
