Notes:

1. These burials (Lots 70 & 117) were originally interred in the former township owned Goodrich Cemetery on Schavey Road (section 7).
2. All of these are on one large zinc marker. "A real daughter of the revolution: Her father Capt. Abram Tyler and her grandfather Col. Abraham Tyler, aide to Washington, served from Bunker Hill to Yorktown."
3. This burial was removed c1906 and reinterred in another location, now unknown, in this cemetery. Source: DeWitt Township minutes.
4. This stone was illegible, information from Knapp family records
5. No stones. The sexton's records says 6 burials.
